# Yellow Diva

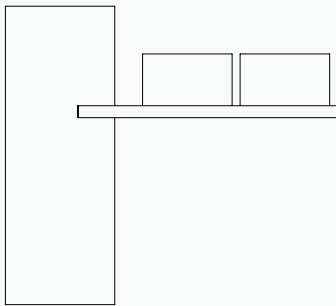

## 2UP

Designed by David Walley  
Manufactured by Yellow Diva

2UP candleholder is inspired by the notorious, outlawed Australian gambling game of the same name, where bets are placed on two copper pennies tossed in the air from a flat stick.

Yellow Diva's 2UP comprises two machined copper cups, each containing an organic beeswax candle, placed upon a native Blackwood 'kip' that cantilevers from a column of polished brass.

#### Care

2UP is precision-made in Melbourne Australia.

Maintain the lustre of the brass and copper using a specialist cleaner such as Brasso, applied with a soft cloth. To remove candlewax residue, rinse copper cups with hot water. Do not submerge timber in water.
